Hi Meg,

Here's the first email regarding the Pilgrim submittals you requested. The July DMRs will be submitted to us next week.

George Papadopoulos - USEPA - (617) 918-1579

Subject: Pilgrim's 2014 Marine Environmental Monitoring Programs

Dear Sir or Madam:

In accordance with Pilgrim Station's NPDES Permit, the attached 2014 Marine Environmental Monitoring Programs are submitted by Entergy for your consideration. No changes to the existing biological monitoring programs are planned for this year.

Please contact me if there are any questions regarding the enclosed document.

Thanks,

Joe
